MAKING CROSSES: A Creative Connection to God, by Ellen Morris Prewitt, award-winning writer who turned to making crosses after the tragedy of 9/11
 Come and discover how this new spiritual practice — making crosses — can deepen a life lived for Christ. As she says, "To make a cross is to pray in a new way, but it's not as simple as old-fashioned petitionary prayer, making crosses is a way for God to pray *through* you."
 The practice of making a cross takes you beyond analytic thinking, and offers a way of prayer where understanding comes doing. Working with the most complex symbol of Christianity — the cross — that pray-er learns to co-create with God in concrete and tangible ways, and discovers the meaning of faith.

THOMAS MERTON: A LIFE IN LETTERS: The Essential Collection, edited by William H. Shannon, Professor Emeritus, and Christine M. Bochen, professor of religious studies, both of Nazareth College, Rochester, New York
 Now available in paperback, this expert distillation of Thomas Merton's letters offers a glimpse into the mind and heart of this fascinating monk, mystic, poet, and prophet as he writes to a variety of friends and acquaintances, including Pope John XXIII, Jackie Kennedy, Dorothy Day, and Thich Nhat Hanh.

Letter-writing was a personal act of self-revelation and communication [for Merton]. His letters offer a unique lens through which we relive the spiritual and social upheavals of the twentieth century, while offering wisdom that is still relevant for our world today.

JULIAN OF NORWICH: A Contemplative Biography, by Amy Frykholm, Special Correspondent for *The Christian Century*.

In 1373, a thirty-year-old woman named Julia, living in East Anglia, England, began receiving visions — what she called later "sixteen showings" — that revealed to her the reality of the love of God. When she wrote these down, they became the first English-language book ever written by a woman. In this groundbreaking biography, Amy Frykholm recreates Julian's world and paints a picture of a remarkable woman's place in it.

Impressively researched, beautifully imagined, and exquisitely written, Frykholm's book is not only a marvelous read but will undoubtedly deepen the already considerable influence of this humble anchoress on contemporary spirituality. — Paula Huston, author of "Forgiveness: Following Jesus into Radical Loving." HE ASCENDED INTO HEAVEN: Learn to Live an Ascension-Shaped Life, by Tim and Aaron Perry; Tim is a teacher and deacon in the Diocese of Rupert's Land, Canada; Aaron is minister of The Wesleyan Church and a pastor in Brockville, Ontario

Why do you stand looking up toward heaven?
 That's what the angels said to the baffled disciples who had just experienced the Ascension of Jesus Christ. Peter, James, John, and the others stood there, squinting into the sky, trying to make sense of it all.

The Perrys confess to being baffled, too. For centuries, Christians have confessed "He ascended into heaven" in their creeds — but what do these words actually mean? They offer a probing look at this unfamiliar doctrine, and offer new insight into how the actual event can shape the life of a follower of Jesus.
